## **DETAILED ACTION**

## Allowable Subject Matter

Claims 1-31 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1 and 15 state the limitation "said shunt comprising an eroded carbonized area of a surface of a carbonizable material". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art. Claims 11 and 25 state the limitation "a second lead supported by said second substrate surface, said second lead including a dead end lead extending through said substrate to said first side and adjacent to said first lead". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art. Claim 30 states the limitation "a plurality of through holes extending through said substrate beneath said leads". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art. Claim 31 states the limitation "a shearable portion, and a shunt formed on said shearable portion". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
